Commanding Officer
U. S. Army Chemical Corps
Dugway Proving Grounds, Utah

Dear Colonel Armitage:

I want to thank you for making my brief stay at Dugway on 8 and 9 June so worthwhile and pleasant.

The excellent briefings and demonstration gave me and my party a sound view of the activities at the Proving Grounds. The presentations by you, Colonel Prentice and members of his staff, and Major Collins were all informative and very helpful.

We were all impressed by the enthusiasm and efficiency with which members of your command conducted the orientation course. A special vote of thanks to Major Shepell for his most interesting briefing on the bus. We benefitted a great deal, and we were glad to have a chance to exchange views with you and your staff on subjects of mutual interest.

I particularly appreciate your looking after my son, Ben. He says he thoroughly enjoyed himself.

Sincerely,

SIGNED
